Re: Petition to Discontinue McAllister Road

Dear Mayor McNamara and Members of the City Council:

Pursuant to NH RSA 231:43, Patch Forest, LLC, respectfully requests that the connector road, that is labeled on the Class VI roads map as so-called McCallister Road, running between Atherton Road and Durkee Road, which may or may not legally exist today as a Class VI highway, be discontinued over our properties in order to clarify the record. Patch Forest, LLC's land is identified as City of Lebanon Parcels 194-15, 196-2 and 196-4
